

# Taiwan patient group funding

## Taiwan New HIV Awareness Alliance 台灣新滋識同盟

Taiwan New HIV Awareness Alliance is a group aim to promote HIV/AIDS awareness, public education, safe sex, and stigma & discrimination removal.

### During 2017:

- GSK provided an unrestricted grant of NTD\$250,000 for the group's website design, development and maintenance including education and counselling services.

### During 2016:

- GSK provided an unrestricted grant of NTD\$185,000 for educational workshop.

Our support is less than 25% of their 2017 overall annual income (new organization just established in Oct 2016.).
