

# Taiwan patient group funding

## Taiwan Alliance of Patients' Organizations (TAPO)

Taiwan Alliance of Patients' Organizations (TAPO) is an umbrella patient organization, works to promote rights of patients and advocate for shaping patient-centred healthcare policies.

### During 2017:

- GSK provided an unrestricted grant of NTD\$50,000 for a series of conference and workshops.

### During 2016:

- GSK provided an unrestricted grant of NTD\$50,000 for a series of conference and workshops.

Our support is less than 25% of their overall annual income (new organization just established in late 2015).
